One of the funniest incidents of the strike was the experience of a belated traveler on one of the first nights in which the cars were laid off. He is a well known man and had wound up an evening down town with a hand or so at the Nicollet House. Coming out at a late hour with perhaps a little more than usual of the good cheer of the establishment on board, he flung himself

The Free Traders are quick to try to make a point in favor of their ism, and his destination to the driver and shortly make a point in favor of their ism, and they think they see in the drop in iron their golden opportunity. The northern company which has cut the price explains that it was done to meet the southern manufacturers, who have been offering their preduct in the North at such prices as to cut into the business of the northern furnaces. This is a family fight into which the tariff question does not enter, except that all American manufacturers are injured by every pound of foreign iron and steel, of whatever form, that comes into this country.

There is more Catarrh in this section of the country than all other diseases put together, and until the isst few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Gatarrh Cure, manufactured by F., J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly upon the blood and mucus surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J.
